

Elle se trouve là
!!!!!!

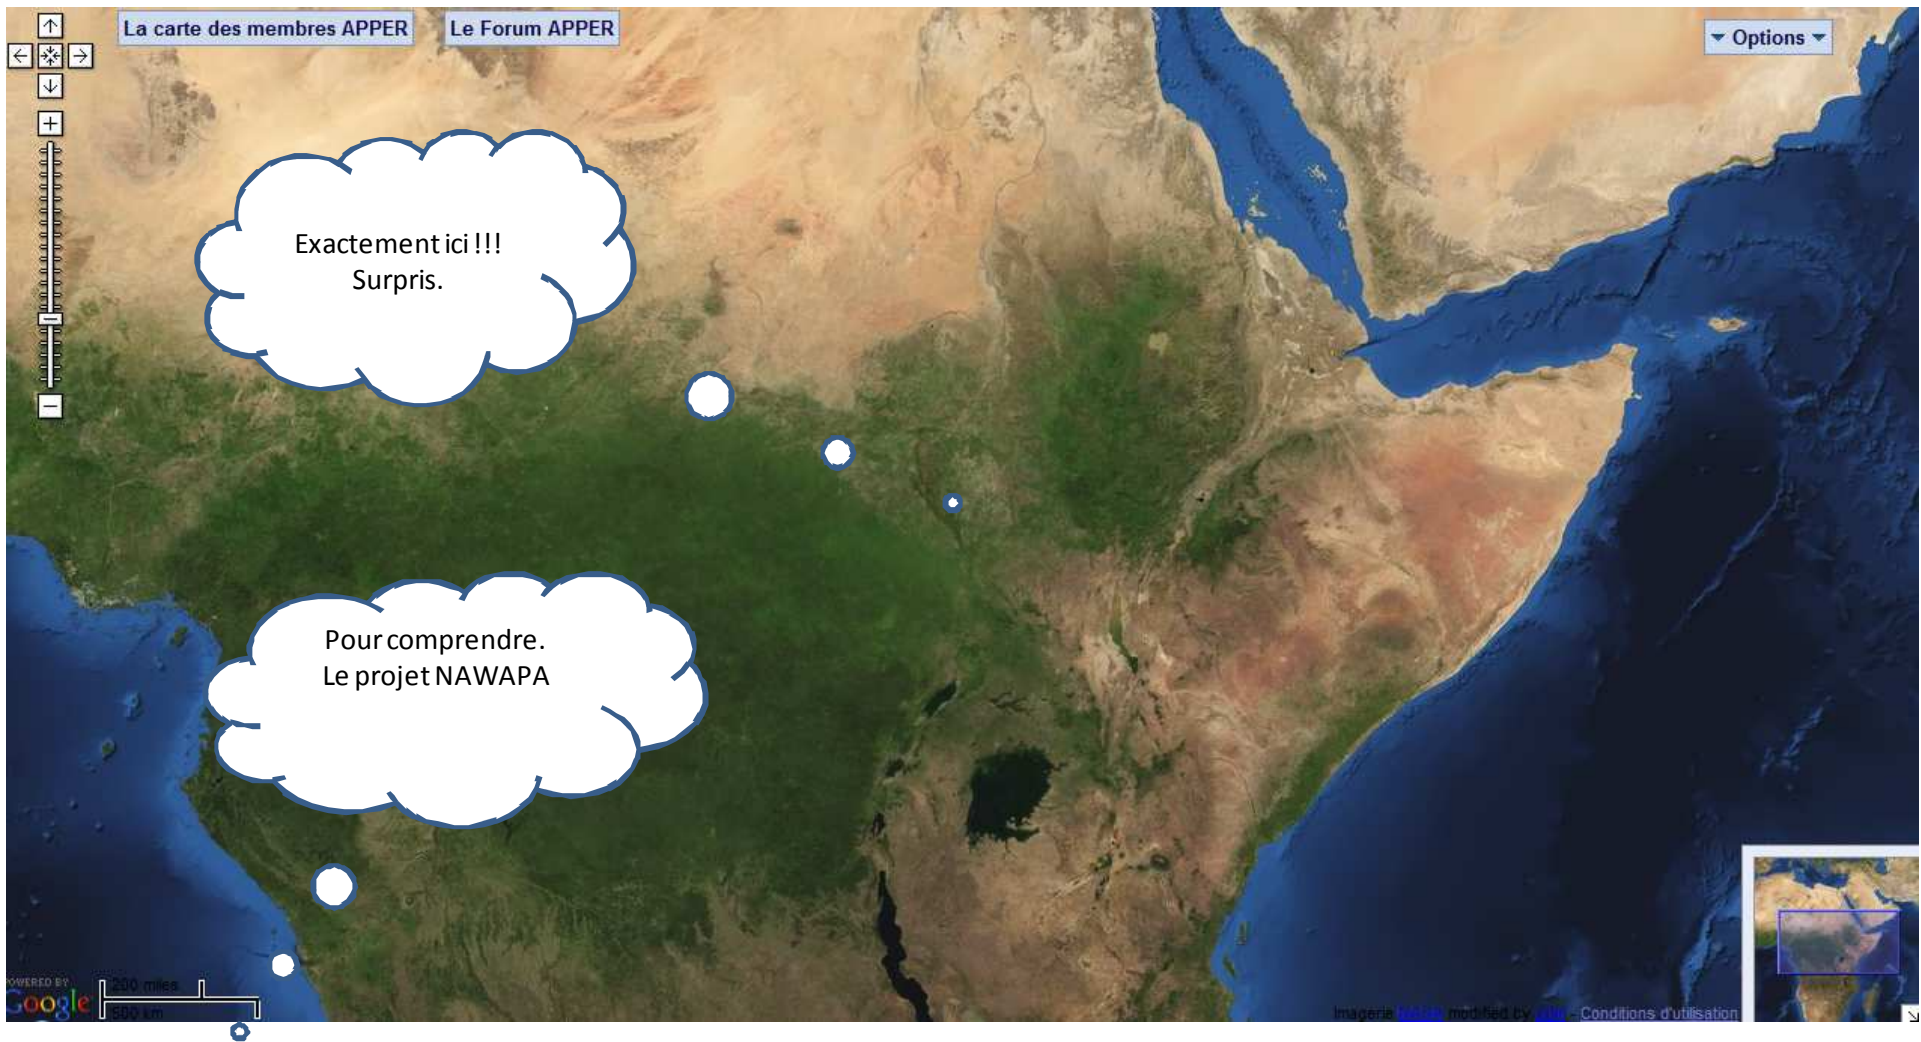

A satellite map of a region, likely in North America, showing a mix of green and brown terrain. A cloud-shaped callout on the left contains the text "A peu près là !!!!!". Three points are marked along a diagonal line: a large white circle with a blue outline, a medium white circle with a blue outline, and a small blue circle. A scale bar in the bottom left corner indicates "20 miles".

A peu près là !!!!!

20 miles
